

**ADDENDUM NO. 1
to the consultants for
US 33/SR 161 & Post Road/Frantz Road Intersection Alternatives Analysis
Request for Proposals
Due Date: February 26, 2016**

TO PROSPECTIVE CONSULTANTS: The following changes shall be made part of the request for proposals for this project:

REQUEST FOR INFORMATION

1. Who is on the selection committee?

- The selection committee will be comprised of Dublin staff members, including the project manager, Jean-Ellen Willis. Staff's recommendation will be reviewed by Paul A. Hammersmith, PE, Director of Engineering/City Engineer.

2. Would the City have any objections to consultants setting out traffic counting cameras in the area? Is there anything the City would like to see?

- Consultants may choose to collect data at their own risk. Since this work is outside of any contract or scope, consultants may decide which data they deem appropriate. Please notify Tina Wawzkiewicz if devices will be placed, and staff will communicate with Police to field any questions they may receive about the equipment.
